## RESULTS

## **Perpetual Trophy Winners**

### **Joan Reid Memorial Shield - 2018 – Charlie Ryan (McGrath Irish Dance)**

The Joan Reid Memorial Shield is in honour of our Grandmother who passed away with the love of Irish Dancing in her heart. Our 'Nanny' used to watch us at many competitions and enjoyed us showing her our medals and trophies after each event. Nanny didn't care what place we got, just how happy we were. There were pictures all over her mantelpiece.

The Joan Reid Memorial Shield is the judges' choice of 'best dancer of the day'. It is awarded to someone in the Beginner or Primary Section.

### **The Scott Lisle Sportsmanship Award – 2018 – Iris Hanscombe (McGrath Irish Dance)**

The Scott Lisle Sportsmanship award is presented to a dancer in intermediate or open who is clearly loving their dancing. They may not be the best, but on and off the stage the judge has noticed how helpful and encouraging they are to other dancers. They try their hardest on the stage and keep everyone motivated to do their best.

The award is a reminder to all of us that winning isn't everything. Sometimes in life, events happen that we cannot control. But with the love of dance, we have our friends and dance family to support us and make us smile when it might be very hard to do so.

### **McGrath Irish Dance Bursary - 2018 – Cinta Devlin (McGrath Irish Dance)**

This award is presented by Leanne for a student in her studio you has worked throughout the year to significantly improve their dancing. The winner has been consistent in their practice and shown determination, patience and confidence. The winner receives funding to enter the following years' State Championships, National Championships and the McGrath Feis.
